***We look forward to welcoming you but ...***

**PLEASE DO NOT JUST TURN UP!**

***... you must book, details below.***

**Things need to be a little different for a while ...**

- As most of our churches are not large, you must pre-book for the date(s) you wish to attend. This will enable numbers to be kept within social distancing requirements.
- When booking please provide contact details for test and trace purposes. This will also enable you to be notified if, for any reason, a service needs to be cancelled.
- Current government guidance is that all attendees should wear a face mask.
- 2m social distancing (for those not in the same household) will need to be observed. We also ask that people leave the church promptly after the service.
